

Featherbottom Museum at Featherbottom Museum}

July 30, 2020 · 🌐

I am happy to have gotten this new exhibit completed before I travel the world with my lovely wife. Come check it out!

Opal Blum ✓ These are a great addition. I just hope you will learn how to clean them. You have staff who is educated...or are you going to hire an outsider for that too?

Camila Marie Featherbottom ✓ FINALLY! Now on to Paris! I'm tired of this museum holding back my travel time.

Roberta Greene ✓ There is a Kitten Coffee shop there that is simply the cat's meow! I went there after husband number 1 died... or was it after husband 2... anyways, get place to meet someone new and play with kittens!
