

What is your favorite artifact on display?
Why is it your favorite?

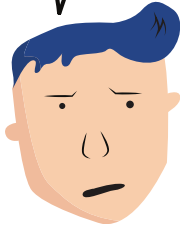

What is something around today that you think could be a future museum artifact?
What story do you think it would tell?

Artifact Hunt

This search activity works best for: All Ages

What is an artifact?

An **artifact** is an object made by a human, typically an item of cultural or historical interest.

As you explore the museum, see if you can find artifacts to help you answer the questions below.

Find an artifact used to entertain. How does it compare to entertainment today?

Find an artifact that belongs in a home.

Why do you think a person would want this in their home?

Find an artifact made before 1800. What was it used for? Can you think of something today that would do the same thing?

Find an artifact that could be used as transportation. Where would you travel using this type of transportation?

Find an artifact that came from a different country. What country did it come from? How do you think it came to the United States?
