

TOP 10 SELFIE SPOTS

Clues, Clicks, and, Captures...

Step inside the Museum and explore three floors of fun! There are ten selfie spots to find, from colorful displays to iconic treasures, each perfect for a photo. Snap your photos, share your smiles, and don't forget to tag us on social media! Whether you're visiting solo, with friends, or with family, complete all ten stops and earn the title of Museum Selfie Master. Ready, camera in hand? Let the adventure begin!

Be Kool with the Man

High five the Kool-Aid Man, say "Oh Yeah!" and snap a picture wherever you find him around the building.

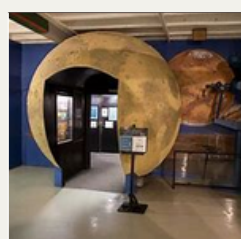

Side by Side at Albert's Grave

Strike a pose, hit the ground, and take your selfie with Albert, the founder of the Museum!

Wheel-y Awesome Spot

Your mission: find any awesome set of wheels—bike, scooter, stroller, whatever. We found our fave... now go find yours!

One Small Step...

One Giant Selfie! Get moonstruck, jump like an astronaut, and grab your stellar selfie.

TOP 10 SELFIE SPOTS

Clues, Clicks, and, Captures...

Peek-a-Boo in the Nook

Hide and see what you can find, there's adventure at every turn. Remember to snap a selfie to capture the fun!

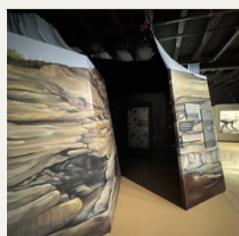

Step Into the Polar Bear Zone

Check out those giant paws! How do you match up to the polar bear? Strike a pose and find out!

Prehistoric Giants

These ancient sea creatures ruled long ago. Snap a pic and let your imagination swim with the giants of the historic seaway!

Mineral Cave of Wonders

Capture the magic the black light shows. Hidden colors shine through... maybe you'll glow, too!

Mammoth Measure-Up

Giants once roamed the plains, now fossils are all that survive. Stretch out and see how many of the tusks can equal me.

The hunt's over! Now it's your turn. Pick your favorite spot, perhaps a hidden gem. Snap a selfie and tag us to show off your adventure!
